Sebago

Boats

The Sportsman's Runabout pictured above is especially designed for safety and comfort. The broad beam, full bow, and forward deck make it exceptionally able in rough waters.

Width at stern	44"	Depth at bow	25"
Width midship	50"	Depth midship	18"
Cedar planking	5/32"	Ribs	5/16"
Over all length	15'		
Price	\$325.00		

This Car-Top model is uniquely designed for the fisherman who likes to "try them all." Its trim lines, sturdy construction, and light weight have made it an outstanding favorite with fishermen everywhere.

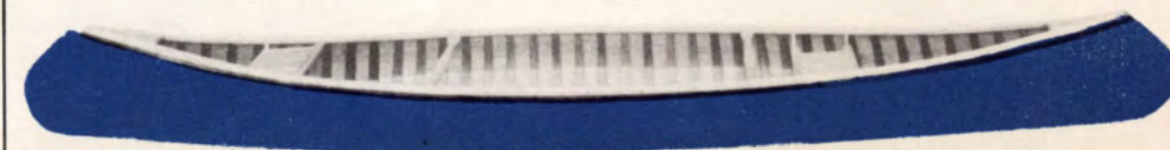

Sebago

Canoes

Sebago canvas covered outboard boats and canoes won the admiration of thousands of users because of their safety and seaworthiness. They are light in weight, easy to load and unload, and easy to transport from one lake to another. Our own exclusive LOW CENTER BALANCE construction; a feature that endowes each boat with extra stability, combined with their rugged construction and extra fine finish means years of service and new boat appearance.

The beautifully modeled canoe pictured below is an outstanding example of master craftsmanship. Designed for camping, hunting, fishing or leisure paddling. Its sturdy construction and sleek lines make it safe in all waters and easy to handle. This canoe is built for use and abuse; will handle an outboard motor by use of brackets. Guides call this canoe the very best obtainable at any price.

Length 17'	Depth 17"	Width 31 1/2"
Price \$195.00		

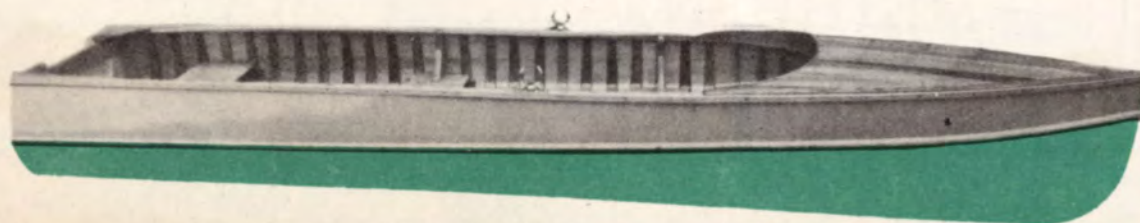

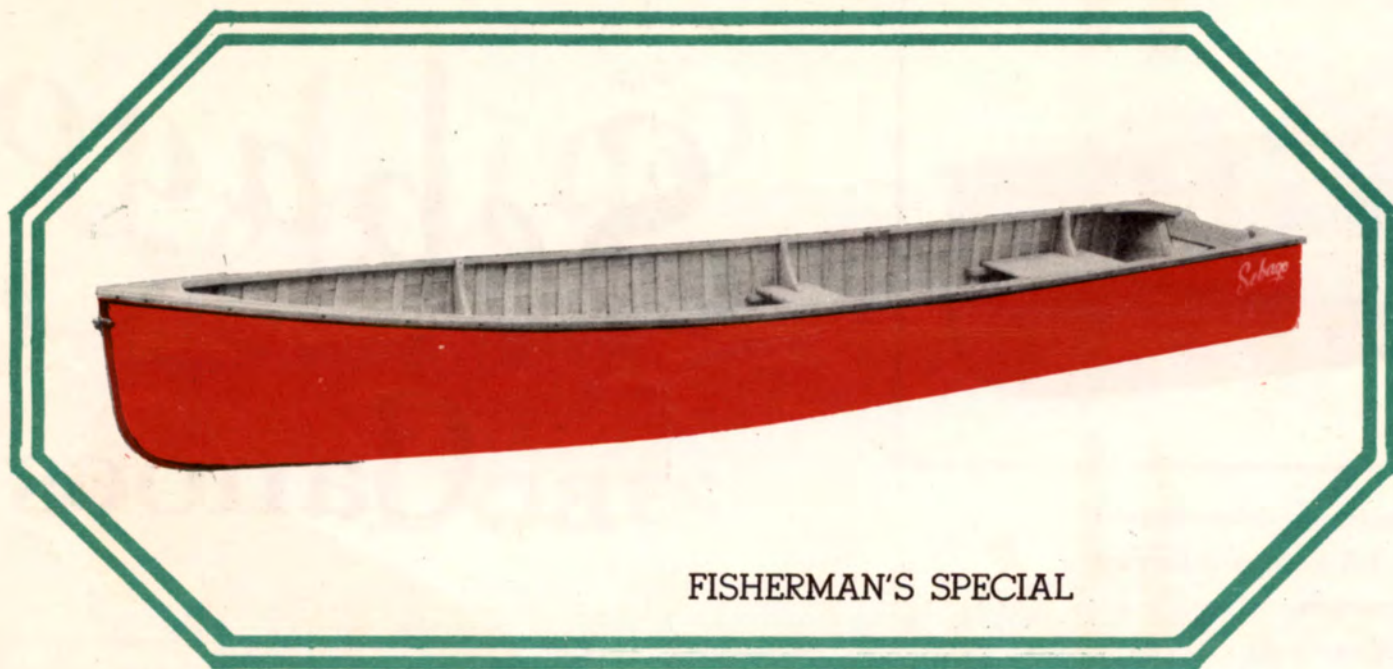

The very finest materials available are used in the manufacture of Sebago Boats and Canoes. Seasoned lumber, oak, cedar, and pine, is used in the construction and all tacks, nails, and screws are of brass. High quality #6 canvas, properly filled to waterproof and eliminate texture cover the hull. Valspar varnishes and yacht enamels bring out the natural grain and beauty of the wood. Our master boat builders model all Sebago Boats and Canoes for beauty and comfort as well as sturdiness and safety.

FLEETMASTER

The Fleetmaster pictured below is designed as a general all purpose boat. It is a good pleasure craft as well as a favorite with fishermen.

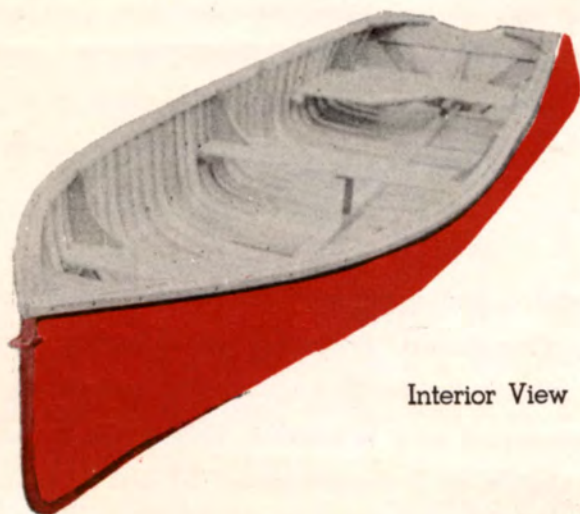

Width at stern	42 1/2"	Depth at bow	23"
Width midship	48 1/2"	Depth midship	18"
Over all length	14'		
Price	\$295.00
